

Welcome to our annual Women's Range Day for 2018.

Event Date – Saturday June 2, 2018

This event is for women interested in the shooting sports, and we respectfully request all registrants to be 14 years of age or older as of the event date.

Registration begins at 8:00 AM, followed by orientation at 8:30 AM. Our range sessions will start promptly at 9:00 AM, with a break for lunch. Shooting events will be completed at 4:30 PM.

The fee for this year's program is \$ 25.00.

The annual Women's Range Day is a combined effort of the Hudson Falls Fish & Game Club, the Washington County Federation of Sportsman, the Washington County 4-H Shooting Sports Program and the volunteer instructors, coordinators and lunch volunteers who strive to make this day an enjoyable experience for each participant.

Program Description.

Under the guidance of experienced instructors each participant will be introduced to the safety aspects of each type of range utilized in the program, and in the safe use of the firearms and archery equipment that you will be shooting.

Our range and shooting experiences offered will be indoor archery, outdoor small bore rifle, outdoor center fire rifle, indoor air pistol and clay target shotgun shooting.

Our objective is to make our participants comfortable in each discipline, and also provide you with the opportunity to fire many rounds, and arrows, to build your proficiency and marksmanship skills.

Our lunch break will feature various wild game dishes, homemade salads, traditional picnic foods and deserts. We will also provide all drinks, and best of all, this is included in your registration fee.

We also have some fun door prizes to give away during the lunch break.

Other important information

This event is limited to 40 participants to maximize range and instruction time for each shooter.

Please consider selecting the waiting list option if the event is full when you register. If a cancellation does occur, we will select individuals from the wait list and contact you.

We provide all firearms, ammunitions and archery gear. We respectfully request that you do not bring any personal firearms or archery gear to the Range Day.

We provide eye and ear protection, but feel free to bring your own, if you prefer.

As we are utilizing both outdoor and indoor ranges, please be prepared for both.

Registration

Please visit the website for the Hudson Falls Fish and Game Club www.hffgc.net and follow the link to this year's program, and our online registration.
